OCTOBER 4TH, 2026**

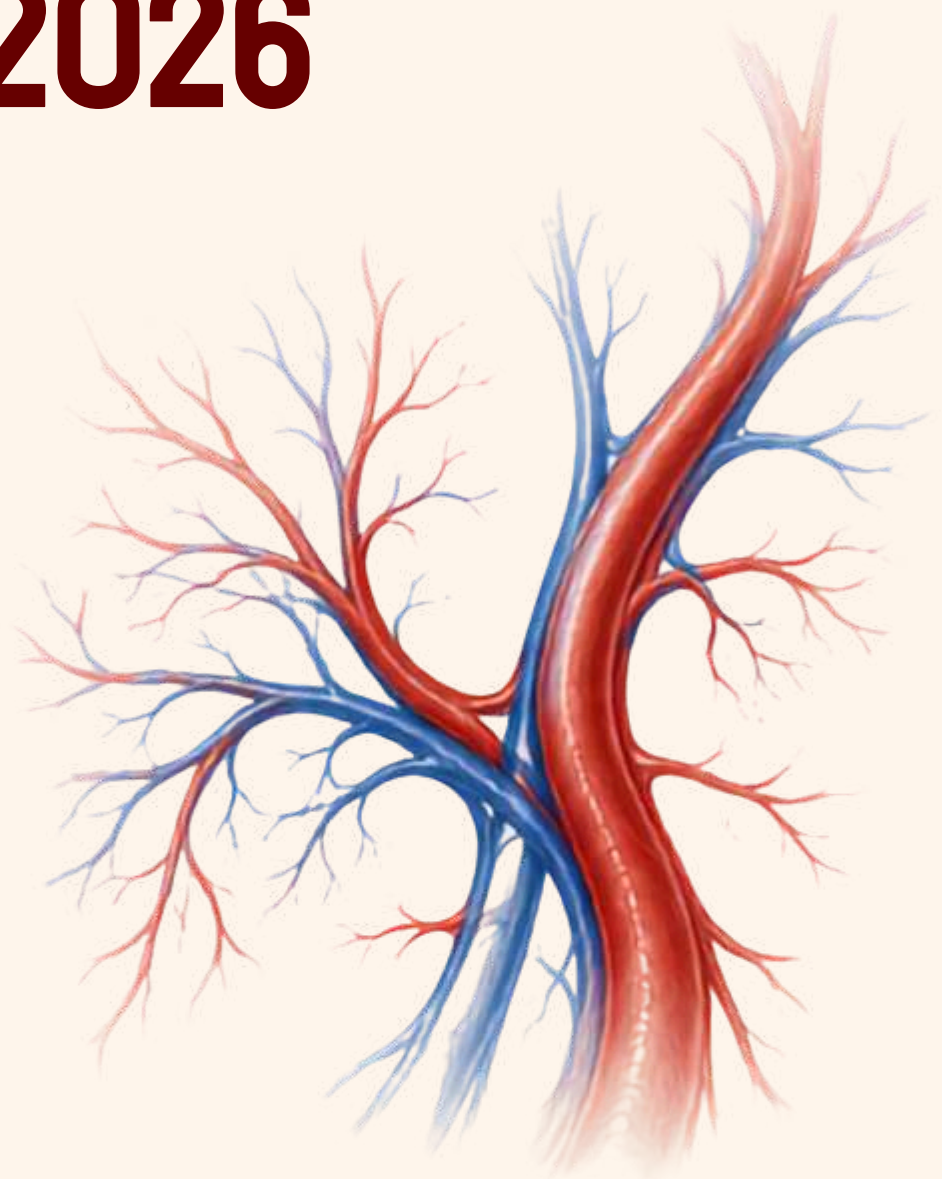

ABOUT INAVASC 2026

The 16th Indonesian Vascular Conference (INAVASC) is the annual scientific meeting of the Indonesian Society for Vascular and Endovascular Surgery (PESBEVI), bringing together general practitioners, nurses, residents, surgeons, other specialists, and vascular specialists from across Indonesia.

MEDAN • 2026

Held in conjunction with the 12th Indonesian Venous Forum.

CONFERENCE THEME

“Redefining Vascular and Endovascular Surgery: Minimally Invasive, High Precision Technology Solutions in Healthcare Transformation.”

WHAT TO EXPECT

- ✓ In-depth scientific sessions
- ✓ Hands-on workshops
- ✓ Nurse training village
- ✓ Poster competition

WHY ATTEND

- ✓ Cutting-edge clinical insights
- ✓ Practical skills development
- ✓ Cross-specialty networking
- ✓ National and international experts

Connect, learn, and grow together—for better vascular care in Indonesia.

THE 16th INDONESIA VASCULAR CONFERENCE

INAVASC XVI
2026 | IN CONJUNCTION WITH
THE 12th INDONESIA
VENOUS FORUM

Dr. dr. Patrianef, Sp.B, Subsp.BVE(K)
President of PESBEVI

WELCOME SPEECH

Dear Distinguished Faculty Members, Colleagues, Participants, and Partners,

On behalf of the Organizing Committee, it is my great honor and pleasure to welcome you to INAVASC XVI 2026, which will be held on October 22nd - 24th in Medan, North Sumatra, Indonesia.

INAVASC has become an important scientific forum for vascular and endovascular professionals to exchange knowledge, share clinical experiences, and discuss the latest developments in vascular care. This year's meeting will feature comprehensive workshops, scientific symposia, interactive discussions, and presentations delivered by distinguished national and international experts.

Through this meeting, we hope to strengthen professional collaboration, broaden scientific perspectives, and enhance the knowledge and clinical skills required to provide high-quality, evidence-based vascular care. We believe that the exchange of ideas and experiences during INAVASC XVI will contribute meaningfully to the continued advancement of vascular and endovascular services in Indonesia and beyond.

Beyond the scientific program, we warmly invite all participants to experience the hospitality, cultural diversity, and culinary heritage of Medan. We hope your time in this vibrant city will be both professionally rewarding and personally memorable.

We extend our sincere appreciation to all faculty members, speakers, moderators, instructors, participants, sponsors, and partners whose dedication and support have made this event possible.

We look forward to welcoming you to Medan and sharing an inspiring and memorable experience at INAVASC XVI 2026.

Warmest regards,

THE 16th INDONESIAN VASCULAR CONFERENCE

INAVASC XVI
2026 | IN CONJUNCTION WITH
THE 12th INDONESIAN
VENOUS FORUM

dr. M. Fauzi Nasution, Sp.B, Subsp.BVE(K)
Chairman of INAVASC XVI 2026

WELCOME SPEECH

It is with great pleasure that I welcome you to the 16th Indonesian Vascular Conference (INAVASC XVI) 2026, held in conjunction with the 12th Indonesian Venous Forum, taking place from October 22nd - 24th, 2026, at JW Marriott Hotel Medan, Indonesia. Under the theme, **“Redefining Vascular and Endovascular Surgery: Minimally Invasive, High-Precision Technology Solutions in Healthcare Transformation,”** this conference serves as a premier platform for advancing knowledge, innovation, and collaboration in vascular and endovascular care.

As healthcare continues to evolve through technological advancements and innovative treatment approaches, it is essential for healthcare professionals to remain at the forefront of scientific progress. Through a comprehensive scientific program featuring symposia, workshops, panel discussions, poster presentations, and networking opportunities, INAVASC XVI aims to foster meaningful exchanges of knowledge and experiences among experts, practitioners, researchers, and industry leaders.

This conference also provides an invaluable opportunity to strengthen multidisciplinary collaboration and explore emerging technologies that contribute to improved patient outcomes and the future of vascular healthcare. We hope that every participant will gain new insights, expand professional networks, and return inspired to further enhance the quality of vascular and endovascular services within their respective institutions.

On behalf of the Organizing Committee, I would like to express my sincere appreciation to all speakers, delegates, sponsors, industry partners, and supporting organizations whose contributions have made this event possible. Your continued support plays a vital role in the success of INAVASC and in advancing vascular and endovascular surgery in Indonesia and beyond.

We look forward to welcoming you to Medan and wish you a productive, enriching, and memorable experience at INAVASC XVI 2026.

Thank you.
Sincerely,

INAVASC XVI 2026

14.50	15.15	00.25	Complex TEVAR in Real Practice: Case-Based Discussion on Decision Making & Technical Strategies	Raden Suhartono, MD , PhD
15.15	15.40	00.25	Optimizing Outcomes in Complex EVAR: Evidence-Based Strategies for High-Risk Aortic Anatomy	Alexander Jayadi Utama , MD
15.40	16.00	00.20	Q & A	
16.00		Coffee Break (Serve)		
INTERNAL WORKSHOP BY FONDA				
Genicular Artery and Shoulder Embolization				
Moderator : Maria (Fonda)				
16.00	16.15	00.15	Welcoming & Introduction	Moderator
16.15	16.30	00.15	Knowing and Understanding Asahi Intecc Product for Your Needs	PT Fonda Medika Utama
16.30	16.45	00.15	The Essentials of Genicular Artery Embolization (GAE) From A to Z	Tom Ch Adriani, MD
16.45	17.00	00.15	The Essentials of Shoulder Artery Embolization (SAE) From A to Z	Januar Rizky Adriani, MD
17.00	17.15	00.15	Panel Discussion & QnA	All Speaker
17.15	17.30	00.15	Manequin Hands-On	PT Fonda Medika Utama
INTERNAL WORKSHOP BY MERIT				
Moderator : Januar Rizky Adriani, MD				
17.30	18.00	00.30	TACE : Our Experience RSUP Dr M Djamil Padang	Yudi Ichsan Ramata, MD

INTERNAL WORKSHOP DAY 2

PESBEVI MEMBER ONLY

MAIN BALLROOM 2ND FLOOR - JW MARRIOTT HOTEL • 23 OCTOBER 2026

TIME START	TIME END	DURATION	TOPIC	
INTERNAL WORKSHOP BY EUREKA				
PREPARING THE VESSEL, IMPROVING PATIENT OUTCOMES : MODERN STRATEGIES IN PAD				
MODERATOR : RADEN SUHARTONO, MD , PhD				
15.45	17.15	01.30	Vessel Preparation wirh Laser Atherectomy : A New Approach to Oprimizing PAD Intervention	Kalpna Vijaykumar, MD (Singapore)
			AURYON Laser Atherectomy in Indonesia : A Case Report and Clinical Experience	Akhmadu Muradi, MD, PhD
			POBA with Tapered Balloon : Is Tapered Balloon Effective as a PTA Strategy	Billy Stephanus Karundeng , MD
			Tapered Balloon in PAD & Highpressure Balloon in AVF	Xiaobo Song - Everbridge Medical (Beijing) Co.Ltd

INTERNAL WORKSHOP DAY 3

PESBEVI MEMBER ONLY

MAIN BALLROOM 2ND FLOOR - JW MARRIOTT HOTEL • 24 OCTOBER 2026

TIME START	TIME END	DURATION	TOPIC	
INTERNAL WORKSHOP BY BOSTON SCIENTIFIC				
ADVANCING ENDOVASCULAR INTERVENTIONS: FROM INTRAVASCULAR IMAGING TO COMPLEX VENOUS AND AORTIC THERAPIES				
MODERATOR : BILLY KARUNDENG , MD				
15.55	16.00	00.15	Welcome & Introduction	
16.00	16.30	00.30	IVUS-Guided Venous and Aortic Interventions: Clinical Applications and Case-Based Discussions	Ismazizi Zaharudin , MD (Malaysia)
16.30	17.00	00.30	Venous Stenting and Pharmacomechanical Thrombectomy: Clinical Experience and Case Sharing	Alexander Jayadi Utama , MD
17.00	17.10	00.10	Panel Discussion and Q&A	All Speaker

DAY 1

MAIN SYMPOSIUM

 MAIN BALLROOM 2nd Floor- JW MARRIOTT HOTEL MEDAN

 23 OCTOBER 2026

TIME START	TIME END	PROGRAM SYMPOSIUM	SPEAKER & MODERATOR
07:00	07:30	Registration	
PHERIPERAL ARTERY DISEASE (1) MODERATOR & PANELIST : RICHARD M SUMANGKUT, MD INDRA PRASETYA YARMAN, MD			
07.30	07.40	Extreme Below-the-Ankle (BTA) Revascularization: The Last Frontier in Indonesian CLTI Patients	Yuansun Khosama , MD
07.40	07.50	Distal Bypass as as Revascularization Strategy vs Endovascular Therapy	Putie Hapsari , MD
07.50	08.00	Should we treat below the knee (BTA) Lesions?	Watcharapong Pitaksanthayothin , MD (Thailand)
08.00	08.10	Tackling Complex PAD: Strategies for Calcified, Long and Occlusive BTK Lesions	Lester Chong , MD (Singapore)
08.10	08.20	Strategies in Managing Arterial Recoil: Overcoming the Limitations of Balloon Angioplasty in PAD (Abbott)	Ahmad Rafizi Hariz , MD (Malaysia)
08.20	08.30	Discussion	
ADVANCED WOUND MANAGEMENT (FUTURE OF DIABETIC FOOT CARE: TECHNOLOGY, REGENERATION, AND LIMB SALVAGE) MODERATOR : KEMAS. M. DAHLAN, MD , PhD REZA FURQON SITUMORANG, MD			
08.30	08.40	Management offloading : External Versus Surgical	Tari Mediyanti, MD
08.40	08.50	Smart Dressing and Advanced Wound Technology: The Next Era of DFU Management	Akhmadu Muradi, MD , PhD
08.50	09.00	Intermittent Vacuum Therapy for Diabetic foot Ulcer	Witra Irfan , MD
09.00	09.10	What’s New in IWGDF 2025: Evidence-Based Multidisciplinary Diabetic Foot Care	Mardianto , MD
09.10	09.20	Discussion	
09.20	09.30	Coffee Break	
OPENING CEREMONY			
09:30	11:00	Opening Ceremony	
11:00	12:45	LUNCH & FRIDAY PRAYER	
PHERIPERAL ARTERY DISEASE (2) MODERATOR : ISMON KUSASI, MD PANELIST : AHMAD RAFIZI HARIZ , MD			
12.45	12.58	Post-Intervention Surveillance and Secondary Prevention: Moving Beyond the Operating Theatre	Billy Karundeng, MD
12.58	13.11	Salvaging the "No-Option" Limb: Integrating Tibial Bypass with Advanced Wound Care Protocols	Fajar Satria Rahmaditya , MD
13.11	13.24	Definition of Acute Limb Ischemia (ALI) and Advanced Chronic Limb-Threatening Ischemia (ACLTi) , and current best Practice Guidelines (Online)	Prof . Koen Deloose , MD (Belgium)
13.24	13.37	IVUS-guided crossing of Chronic Total Occlusions (CTO)	Watcharapong Pitaksanthayothin , MD (Thailand)
13.37	13.50	Complex Iliac Lesions : Choosing the Right Stent Strategy	Charley Dokma Tua Simanjuntak , MD
13.50	14.00	Discussion	
14.00	14.15	ESVS Session Speaker : Dr. Pirkka Vikatmaa Deputy President Elect (ESVS President Elect at the time of the presentation)	Moderator : Raden Suhartono, MD , PhD
14.15	14.45	SPONSOR SYMPOSIUM (Combiphar) Advancing Wound Healing Strategies: Moist Exposed Burn Ointment (MEBO) for Chronic Wounds Moderator : Januar Rizky Adriani , MD Case Series Presentation on Usage of Regenerative Ointment on Hard-To-Heal Wounds Speaker : Jiannwen Yap , MD Current Challenges in Chronic Wound Management in Vascular Practice Speaker : M. Fauzi Nasution ,MD	
14.45	14.55	Coffee Break	
AORTIC MODERATOR & PANELIST : RADEN SUHARTONO, MD , PhD MULAWARDI , MD			
14.55	15.05	AAA in Indonesian Population, are we that difference with Western Population?	Ihza Fachriza , MD
15.05	15.15	Clinical Decision on Treating Small Abdominal Aneurysm: Asian Population	Ismazizi Zaharudin , MD (Malaysia)
15.15	15.25	Challenges in EVAR for small diameter landing zone AAA	Nyityasmono Tri Nugroho, MD
15.25	15.35	The Importance of Follow up after EVAR	Alexander Jayadi Utama, MD
15.35	15.45	Discussion	
CLOSING DAY 1			
15.45	17.15	INTERNAL WORKSHOP BY EUREKA (PESBEVI MEMBER ONLY) PREPARING THE VESSEL, IMPROVING PATIENT OUTCOMES : MODERN STRATEGIES IN PAD	

DAY 1

TRAINING VILLAGE GP & NURSE

 FUNCTION ROOM 1st FLOOR- JW MARRIOTT HOTEL MEDAN

 23 OCTOBER 2026

TIME START	TIME END	PROGRAM SYMPOSIUM	SPEAKER & MODERATOR
07:00	07.30	Registration	
LOWER EXTREMITY ENDOVASCULAR THERAPY MODERATOR : AFRA AMIRA , MD			
07.30	07.40	A-Z Lower Extremity Vascular Cases Treated with Endovascular Therapy	M. Bob M. Rambe , MD
07.40	07.50	Peripheral endovascular procedure preparation	Ns. Franky Ananta Pinem
07.50	08.00	Maintaining image quality while minimizing radiation exposure	Justinus Tambunan
08.00	08.10	Sharing endovascular experience from Jakarta	Ns. Uup Harianto
08.10	08.20	Sharing endovascular experience from Medan	Ns. Santy Romauli Tampubolon
08.20	08.30	Discussion	
DIABETIC FOOT WOUND CARE MODERATOR : AFFAN ADIB SUNGKAR , MD			
08.30	08.40	Vascular diseases detection in chronic diabetic foot ulcer	M. Fauzi Nasution , MD
08.40	08.50	Principle of diabetic foot ulcer wound care	Santi Syafril , MD , PhD
08.50	09.00	Wound dressing choice for diabetic foot ulcer	Willy Muljono , MD , PhD
09.00	09.10	Diabetic foot wound care experience	Ns. Delitua Sagala
09.10	09.20	Optimizing Venous Ulcer Healing through MPFF Microvascular Protection	Charley Dokma Tua Simanjuntak , MD
09.20	09.30	Discussion	
09.30	11.00	Coffee Break & Opening Ceremony	
11.00	12.45	ISOMA FRIDAY PRAYER	
HEMODIALYSIS VASCULAR ACCESS MODERATOR : DEFRI HERYADI , MD			
12.45	12.57	Hemodialysis vascular access from nephrologist perspective	Syafrizal Nasution , MD
12.57	13.09	Hemodialysis vascular access from vascular surgeon perspective	Aswadi Tanjung , MD
13.09	13.21	Hemodialysis vascular access from hemodialysis nurse	Ns. Suriati
13.21	13.33	Hemodialysis vascular access from CKD patient	Tony Richard Alexander Samosir, S.T., S.H., M.H
13.33	13.45	Discussion	
13.45	14.00	Coffee Break & Preparing Skill Station	
14.00	16.00	Skill Station : Basic Endovascular Station 1. Basic Endovascular device Introduction (Ns. Uup Harianto) 2. Atherectomy and thrombectomy device (M. Bob M. Rambe, MD) 3. Optimizing Radiation Exposure & Image Optimalization (Justinus Tambunan) 4. Peripheral Endovascular Case (Ns. Santy Romauli Tampubolon) Vascular Access Station 1. Non Hemodialysis Vascular Access (Afra Amira , MD & Ns Suriati) 2. Hemodialisys Vascular Access (Aswadi Tanjung , MD & Syafrizal Nasution , MD) 3. Non Hemodialysis Vascular Access Case (Andi Hakim, MD) 4. Hemodialysis Vascular Access (Defri Heryadi , MD) Wound Care Station 1. Vascular Detection & Principle of diabetic foot ulcer wound care (M. Fauzi Nasution , MD & Santi Syafril , MD , PhD) 2. Wound Dressing Choice (Willy Muljono, MD, PhD) 3. Diabetic Ulcer Case (Delitua Sagala & Benni Sinaga , MD) 4. Recognizing Venous Ulcers and basic Management (Charley Simanjuntak , MD)	

DAY 2

MAIN SYMPOSIUM

 MAIN BALLROOM 2nd FLOOR - JW MARRIOTT HOTEL MEDAN

 24 OCTOBER 2026

TIME START	TIME END	PROGRAM SYMPOSIUM	SPEAKER & MODERATOR
07:00	08:00	Registration	
VASCULAR ACCESS (1) MODERATOR & PANELIST : LAUHIL MAHFUDZ , MD PANELIST : DATUK DR HANIF BIN HUSSEIN , MD			
08.00	08.12	Hemodialysis access in Indonesia- Nephrolog perspective	Alwi Thamrin Nasution , MD , PhD
08.12	08.24	Hemodialysis access in Indonesia - Vascular Surgeon Perspective	Dedy Pratama , MD , PhD
08.24	08.36	Status of hemodialysis access in Indonesia	Teguh Marfen Djajakusumah , MD , PhD
08.36	08.48	Current trend in Dialysis access	Danny Pratama , MD
08.48	09.00	Strategic response to the escalating challenge of End Stage Renal Failure	Liew Ngoh Chin , MD (Malaysia)
09.00	09.12	Discussion	
VASCULAR ACCESS (2) MODERATOR & PANELIST : DEDI ACHMAD ZAELANI, MD DONIE FIRDHIANTO , MD PANELIST : LIEW NGOH CHIN , MD			
09.12	09.24	Central & cephalic arch stenosis : how i do it	Tommy Kuswara , MD

PESBEVI MEMBER ONLY

CHALLENGING CASE COMPETITION – INAVASC 2026

OVERVIEW

The Challenging Case Competition invites PESBEVI member to submit complex, high-learning-value cases from Aortic, Carotid Disease, Vascular Access, Peripheral Artery Disease, Advanced Wound Management, Deep Vein, Superficial Vein, Vascular Malformation, and Miscellaneous. The competition is designed to stimulate clinical debate, showcase innovative techniques, and advance knowledge sharing among the interventional community.

IMPORTANT DATES

Abstract Submission Deadline : October 4th, 2026
Shortlist Notification : October 7th, 2026
Live Competition Session : October 24th, 2026

QUALIFIES

- Complex anatomy
- Rare or unusual presentation
- Difficult decision-making
- Novel technique or device

SUBMISSION PROCESS

1 Abstract Submission

All applicants must submit a structured abstract via the online submission portal by the stated deadline. Please select Challenging Case Submission in the Submission Type.

Abstracts must be written in English and must not exceed 250 words. No images, figures, or videos should be included at this stage.

The abstract must include the following sections:

- Background: Brief clinical context and reason the case was challenging
- Case summary: Patient demographics (anonymized), presenting features, and imaging findings
- Intervention: Procedural description including devices and techniques used
- Outcome: Technical and clinical result, including follow-up where available
- Key learning points: What makes this case instructive for the endovascular community

2 Prior Presentations

- Cases must not have been presented at another international or major regional conference.
- Prior presentation at a national-level meeting must be disclosed at the time of submission.
- The scientific committee reserves the right to disqualify cases that do not meet this requirement.

3 Originality and Authorship

- All submitted work must be original. The submitting author confirms that the case has not been submitted simultaneously to another competition.
- Co-authors listed must have made a genuine intellectual contribution to the case or its management.

IMPORTANT RULES

1 PowerPoint Submission

- For the initial submission, participants are required to provide a presentation outline/draft or résumé only (not the full PowerPoint)
- Only 5 shortlisted candidates will be notified and invited to submit a full PowerPoint presentation
- The 5 finalist will present their case live during the dedicated competition session
 - Date & Time : October 24th, 2026 | 14.06 – 15.36 WIB
 - Presentation: 10 minutes
 - Q&A: 5 minutes

2 Patient Confidentiality

- All submitted cases must be fully anonymized. No names, dates of birth, hospital record numbers, or other identifying information may appear in the abstract or presentation.
- Institutional ethics or IRB approval, or written patient consent, must be obtained where required by local regulations.
- By submitting, authors confirm compliance with applicable data protection and ethics standards.

3 Case Recency

- Cases must have been performed between March 2024 and the submission deadline.
- Cases previously published in a peer-reviewed journal remain eligible, provided the novel teaching point is clearly highlighted and the submission adds value beyond the published material.

JUDGING CRITERIA

- Case complexity and clinical challenge
- Quality of decision-making and problem-solving
- Procedural technique and innovation
- Clinical outcome and follow-up
- Clarity and quality of presentation

EPOSTER COMPETITION INAVASC 2026

WIN PRIZES
WORTH
MILLIONS OF
RUPIAH!

GENERAL GUIDELINE

1. Registration will be close at October 4th, 2026
2. E-poster presentation will be held at October 23rd, 2026
3. All Participant must join Whatsapp Group : https://bit.ly/WAG_postercompINAVASC2026
4. Submit Abstract : The Challenging Case Competition invites PESBEVI member to submit complex, high-learning-value cases from Aortic, Carotid Disease, Vascular Access, Peripheral Artery Disease, Advanced Wound Management, Deep Vein, Superficial Vein, Vascular Malformation, and Miscellaneous. The competition is designed to stimulate clinical debate, showcase innovative techniques, and advance knowledge sharing among the interventional community.
5. Open for Original Research, Case Report, Case Series (min 3 cases), EBCR, Systematic Review, Meta Analysis related to Vascular Surgery

IMPORTANT DATES

Abstract Submission Deadline

October 4th, 2026

Deadline Poster File

October 15th, 2026

Presentation Competition Session

October 23rd, 2026

GUIDELINE ABSTRACT & POSTER

1. Content structure: Introduction, Aim, Case / Methods, Result, Discussion, Conclusion
2. Word counts: maximum 300 words
3. Title must be written in CAPITAL LETTER
4. Author must be written without title
5. Font type must be Time News Roman
6. Maximal number of references is 7

GUIDELINE POSTER

1. Files must be portrait with size of 1080x1920 (Portrait)
2. Files must be in a digital format – 1 page/image only (.jpg .jpeg .png)
3. Fonts used must be easily readable from 1 meter of distance
4. Language: English
5. Picture and table are not more than 50% of poster area
6. Your infographic should be your personal original work, aesthetically good-looking and attention-grabbing.
7. It is highly recommended to submit the highest quality image with regard to file size, bit depth, and resolution
8. Please note that Poster are non-interactive and will be displayed on a large LCD screen (no motion/video)

GRATIS PEMERIKSAAN USG VASKULAR

Bakti Sosial Screening & Edukasi Pencegahan Stroke dan Penyakit Pembuluh Darah

Pernah mengalami kaki mudah pegal atau nyeri saat berjalan, kaki bengkak, varises, atau memiliki faktor risiko penyakit pembuluh darah?

Yuk, manfaatkan kesempatan untuk mendapatkan pemeriksaan USG pembuluh darah **secara GRATIS** dalam kegiatan Bakti Sosial INAVASC Medan

Deteksi dini untuk langkah lebih sehat!

Pemeriksaan meliputi :

Pembuluh darah kaki (PAD), untuk melihat adanya penyempitan atau sumbatan pembuluh darah arteri.

Pembuluh darah vena (CVI/varises), untuk menilai aliran dan fungsi pembuluh darah vena.

Pembuluh darah leher (karotis), untuk menilai pembuluh darah yang membawa darah ke otak.

Akses vaskular, pemeriksaan pembuluh darah pada pasien dengan akses hemodialisis

Rabu, 21 Oktober 2026

Aula Lantai 4
Rumah Sakit Pendidikan Prof. Dr. Chairuddin Panusunan Lubis USU

POSTER COMPETITION

JW MARRIOTT HOTEL MEDAN

October 23rd, 2026

EXTENDED

**ABSTRACT
SUBMISSION**

October 04th, 2026

**POSTER SUBMISSION
DEADLINE**

October 15th, 2026

**POSTER
PRESENTATION**

October 23rd, 2026

Format for Poster Submission

- Open for Original Research, Case Report, Case Series (min 3 cases), EBCR, Systematic Review, Meta Analysis **related to Vascular Surgery**.
- Content structure: Introduction, Aim, Case / Methods, Result, Discussion, Conclusion.
- Word counts: **maximum 300 words**.
- Title must be written in **CAPITAL LETTER**.
- Author must be **written without title**.
- Font type must be **Time News Roman**.
- Maximal number of **references is 7**.
- Files must be portrait with **size of 1980x1080**.
- Files must be in a digital format – 1 **page/image only (.jpg .jpeg .png)**.
- Fonts used must be easily readable from 1 meter of distance.
- Language: **English**.
- Picture and table are not more than 50% of poster area.
- Your infographic should be your personal original work, aesthetically good-looking and attention-grabbing.
- It is highly recommended to submit the highest quality image with regard to file size, bit depth, and resolution.
- Please note that Poster are non-interactive and will be displayed on a large LCD screen **(no motion/video)**.

**WIN MILLIONS
IN CASH PRIZES**

CHALLENGING CASE COMPETITION

PESBEVI MEMBER ONLY

- INAVASC 2026 -

OVERVIEW

The Challenging Case Competition invites PESBEVI member to submit complex, high-learning-value cases from Aortic, Carotid Disease, Vascular Access, Peripheral Artery Disease, Advanced Wound Management, Deep Vein, Superficial Vein, Vascular Malformation, and Miscellaneous. The competition is designed to stimulate clinical debate, showcase innovative techniques, and advance knowledge sharing among the interventional community.

IMPORTANT DATES

Abstract Submission Deadline

October 04th, 2026 **EXTENDED**

Shortlist Notification

October 7th, 2026

Live Competition Session

October 24th, 2026

QUALIFIES

- Complex anatomy
- Rare or unusual presentation
- Difficult decision-making
- Novel technique or device

SUBMISSION PROCESS

1 ABSTRACT SUBMISSION

- All applicants must submit a structured abstract via the online submission portal by the stated deadline. Please select Challenging Case Submission in the Submission Type.
- Abstracts must be written in English and must not exceed 250 words. No images, figures, or videos should be included at this stage.
- The abstract must include the following sections:
 - Background:** Brief clinical context and reason the case was challenging
 - Case summary:** Patient demographics (anonymized), presenting features, and imaging findings
 - Intervention:** Procedural description including devices and techniques used
 - Outcome:** Technical and clinical result, including follow-up where available
 - Key learning points:** What makes this case instructive for the endovascular community

2 POWERPOINT SUBMISSION

- For the initial submission, participants are required to provide a presentation outline/draft or résumé only (not the full PowerPoint)
 - Only 5 shortlisted candidates will be notified and invited to submit a full PowerPoint presentation
 - The 5 finalist will present their case live during the dedicated competition session
- Date & Time:** October 23rd, 2026 | 14.00 – 15.30 WIB
Presentation: 10 minutes
Q&A: 5 minutes

IMPORTANT RULES

PATIENT CONFIDENTIALITY

- All submitted cases must be fully anonymized. No names, dates of birth, hospital record numbers, or other identifying information may appear in the abstract or presentation.
- Institutional ethics or IRB approval, or written patient consent, must be obtained where required by local regulations.
- By submitting, authors confirm compliance with applicable data protection and ethics standards.

CASE RECENCY

- Cases must have been performed **between March 2024** and the submission deadline.
- Cases previously published in a peer-reviewed journal remain eligible, provided the novel teaching point is clearly highlighted and the submission adds value beyond the published material.

PRIOR PRESENTATIONS

- Cases must not have been presented at another international or major regional conference.
- Prior presentation at a national-level meeting must be disclosed at the time of submission.
- The scientific committee reserves the right to disqualify cases that do not meet this requirement.

ORIGINALITY AND AUTHORSHIP

- All submitted work must be original. The submitting author confirms that the case has not been submitted simultaneously to another competition.
- Co-authors listed must have made a genuine intellectual contribution to the case or its management.

JUDGING CRITERIA

- Case complexity and clinical challenge
- Quality of decision-making and problem-solving
- Procedural technique and innovation
- Clinical outcome and follow-up
- Clarity and quality of presentation
